PRACTICE NOTES FOR COUNSEL REGARDING ENFORCEMENT PROCEEDINGS

1. Direct Attorney Inquiries:

Formal inquiries concerning active or pending enforcement investigations must be served pursuant to FINRA Code of Procedure Rule 9134 (Methods of Serving Papers), copying the lead litigation counsel and EnforcementNotice@finra.org.

2. Representation Status Changes:

Attorneys Meredith MacVicar and Heather Freiburger were counsel in earlier FINRA proceedings and have since transitioned to Senior Counsel positions at the SEC (Division of Trading & Markets and Division of Enforcement, respectively).

3. Deceased Counsel of Record:

Jeffrey D. Pariser was the lead Chief Litigation Counsel in the Scottsdale Capital 2014-2018 proceedings and passed away in May 2023. Matters previously assigned to his team are managed by senior litigation counsel in Washington, DC and Philadelphia.

4. SEC Appellate Overturns:

Counsel should note that the SEC issued an order vacating the FINRA NAC liability findings and sanctions in the 2014 Scottsdale Capital action (Matter No. 2014041724601), remanding/setting aside findings related to Section 5 supervisory obligations.
