

Public Relations Strategy on X & Formal Regulatory Complaint Package (Expanded for Money Laundering & 3-Month Default)

Formal Regulatory Filings & Public Relations Action Plan | Subject: GTVH & SNTX

This document contains a complete **X (formerly Twitter) Public Relations Campaign** and four **formal complaint documents** updated to reflect **3 full months of confirmed payment defaults (\$300,000+ accelerated)** and an expanded **Money Laundering Legal Analysis** under Federal (18 U.S.C. 1956/1957) and Nevada State Law (NRS 207.195).

Part 1: X (Twitter) Public Relations Campaign Strategy

Campaign Objective

Expose the **3 consecutive months of complete payment defaults** (April, May, June, July 2026), the **\$300,000+ accelerated debt**, the insider asset-stripping transaction between GTVH & SNTX, and the **Money Laundering / Layering scheme** designed to cleanse corporate assets.

Post Templates & Thread Structures for X

Thread 1: "3 Months of Default & The Money Laundering Machine"

Post 1/5 (The Hook):

3 MONTHS OF TOTAL DEFAULT: Golden Triangle Ventures (\$GTVH) signed a \$300,000 settlement on March 29, 2026. Payments were due April, May, June, and July. ZERO dollars paid.

Where did the assets go? Siphoned into \$SNTX in an illegal asset strip & money laundering scheme.

Post 2/5 (The Default Timeline):

The timeline of non-payment:

Installment 1 (April 23, \$75k): UNPAID

Installment 2 (May 22, \$75k): UNPAID

Installment 3 (June 23, \$75k): UNPAID

Installment 4 (July 23, \$75k): UNPAID

Total due: \$300,000 FULLY ACCELERATED + 18% interest + \$15k late fees!

Post 3/5 (The Asset Laundering Scheme):

While dodging payments to creditors for 3 straight months, \$GTVH transferred 100% of its operating businesses (Go Fast, Snap, Deep South Electric, IP) to \$SNTX on April 16.

Why? To layer and conceal corporate assets out of reach of legitimate debt!

Post 4/5 (Money Laundering 18 U.S.C. 1956):

Under federal law (18 U.S.C. 1956/1957), moving proceeds/assets derived from wire fraud & securities fraud across related corporate shells to disguise control is CRIMINAL MONEY LAUNDERING. Javier Leal ran BOTH entities!

Post 5/5 (Call to Regulators):

Formal criminal referrals for Wire Fraud & Money Laundering have been filed with @FBI, @Treasury, @SEC_Enforcement, and @FINRA. Transfer agents processing the 400M \$SNTX shares are on official notice.

Thread 2: "Exposing the Layering Scheme (Javier Leal & Entities)"

Post 1/3:

How do you cleanse a company of \$300,000+ in legitimate debt?

Step 1: Sign a settlement agreement (March 29).

Step 2: Transfer all revenue assets to a sister company you control (April 16).

Step 3: Ignore 3 months of payments while issuing 400M shares. \$GTVH \$SNTX

Post 2/3:

Item 3 of SNTX's June 15 disclosure shows \$SNTX issuing 400,000,000 shares back to \$GTVH for distribution under Rule 144.

This is classic monetary layering converting stripped physical assets into stock to wash value into insider hands!

Post 3/3:

Nevada NRS 207.195 & Federal Law 18 U.S.C. 1957 prohibit engaging in monetary transactions over \$10k derived from unlawful fraud. Full filings submitted to law enforcement. @SEC_Enforcement @FINRA

High-Impact Single PR Posts

• Post A (Focus on 3-Month Default):

"3 months. 4 missed payments. \$300,000+ in default. While ignoring binding settlement payments, \$GTVH stripped 100% of its assets into \$SNTX under dual-CEO Javier Leal. Nevada UVTA (NRS 112) lawsuit & federal reports active. \$GTVH \$SNTX #Microcap #Fraud"

• Post B (Focus on Money Laundering & FBI/Treasury):

"Moving corporate assets into related entities to conceal ownership and dodge \$300k+ in debt isn't 'restructuring' it meets the federal definition of Money Laundering under 18 U.S.C. 1956. Criminal referrals filed with FBI & Treasury. @FBI @SEC_Enforcement"

Part 2: Comprehensive Legal Analysis of Money Laundering

1. Statutory Framework for Money Laundering Charges

A. Federal Money Laundering Statutes (18 U.S.C. 1956 & 1957)

• 18 U.S.C. 1956(a)(1)(A)(i) & (B)(i) (Laundering of Monetary Instruments):

It is a federal crime to conduct a financial transaction involving the proceeds of "specified unlawful activity" (SUA) with the intent to:

1. Promote the carrying on of specified unlawful activity; OR
2. Conceal or disguise the nature, location, source, ownership, or control of the proceeds.

• Specified Unlawful Activity (SUA) Present: Wire Fraud (18 U.S.C. 1343), Mail Fraud (18 U.S.C. 1341), and Securities Fraud (15 U.S.C. 78j(b) / Rule 10b-5).

- **18 U.S.C. 1957 (Engaging in Monetary Transactions in Property Derived from Specified Unlawful Activity):**

Prohibits knowingly engaging in monetary transactions in criminally derived property of a value greater than \$10,000 derived from specified unlawful activity.

- **Application:** The \$4,000,000 asset transfer and the 400,000,000 share issuance between GTVH and SNTX easily exceed the \$10,000 threshold.

B. Nevada State Money Laundering Statute ([NRS 207.195](https://www.leg.state.nv.us/nrs/nrs-207.html#NRS207Sec195))

- Under Nevada law, a person commits money laundering if they conduct or attempt to conduct a financial transaction knowing that the property involved represents the proceeds of unlawful activity:

1. With the intent to promote the carrying on of unlawful activity; or
2. Knowing that the transaction is designed in whole or in part to conceal or disguise the nature, location, source, ownership, or control of the property.

2. Anatomy of the Money Laundering Scheme (Placement, Layering, Integration)

[PHASE 1: FRAUDULENT INCURRENCE & PLACEMENT]

March 29, 2026: GTVH induces Bruce Perlowin into \$300k Settlement Agreement.

GTVH obtains debt relief / standstill under false pretenses (Wire Fraud / Promissory Fraud).

[PHASE 2: CONCEALMENT & LAYERING]

April 16, 2026: GTVH transfers 100% operating assets (Go Fast, Snapt, Deep South Electric, IP) to sister company SNTX. Javier Leal acts on BOTH sides as CEO of GTVH and SNTX.

Assets are layered into SNTX; GTVH retains \$0 assets and \$300k+ liabilities.

[PHASE 3: INTEGRATION & CAPITAL WASHING]

June 15, 2026: SNTX issues 400,000,000 shares (\$4M valuation) back to GTVH to distribute under Rule 144. Asset value is "washed" into stock distribution while 3 months of settlement payments (April, May, June, July) are 100% defaulted on.

SUBMIT VIA: <https://www.sec.gov/tcr> (SEC Division of Enforcement / Office of Whistleblower)

SUBJECT: URGENT COMPLAINT: 3-Month Payment Default (\$300k+), Money Laundering, Rule 10b-5 Securities Fraud, and Abusive Rule 144 Share Issuance by Golden Triangle Ventures, Inc. (OTC: GTVH) and Suntex Enterprises, Inc. (OTC: SNTX)

I. ENTITIES AND PERSONS REPORTED

1. Golden Triangle Ventures, Inc. (OTC: GTVH)
2. Suntex Enterprises, Inc. (OTC: SNTX)
3. Javier Leal (CEO & Director, SNTX; Former CEO, GTVH)
4. Casey McCormick (CEO, GTVH)

II. STATEMENT OF FACTS & THREE-MONTH DEFAULT

1. Confirmed 3-Month Payment Default: GTVH executed a binding Settlement Agreement on March 29, 2026, agreeing to pay Bruce Perlowin \$300,000 in four monthly installments (\$75k each). GTVH has defaulted on ALL FOUR installments (April 23, May 22, June 23, and July 23, 2026). The full \$300,000 principal plus 18% interest and \$15,000 in late fees is now fully accelerated and unpaid.
2. Fraudulent Asset Stripping: On April 16, 2026 (7 days before the first payment was due), GTVH transferred 100% of its operating revenue assets to SNTX while excluding all debt obligations.
3. Insider Money Laundering Scheme: Javier Leal served as CEO of GTVH and CEO of SNTX simultaneously. Under 18 U.S.C. 1956/1957, transferring assets derived from wire/securities fraud across insider-controlled entities to conceal ownership and evade debt constitutes criminal money laundering.
4. Abusive Rule 144 Distribution: SNTX agreed to issue 400,000,000 shares to GTVH to distribute under Rule 144, integrating illicitly transferred asset value into public securities markets.

III. REQUESTED ENFORCEMENT ACTION

1. Immediately halt all Rule 144 share clearances and FINRA corporate action approvals for SNTX/GTVH.
2. Initiate civil enforcement for Securities Fraud (Rule 10b-5) and refer criminal Money Laundering (18 U.S.C. 1956) to the Department of Justice.

3. MONEY LAUNDERING RISK: Using transfer agents and public OTC markets to distribute stock derived from a fraudulent asset conveyance violates FINRA Rule 2010 (Standards of Commercial Honor) and federal money laundering statutes (18 U.S.C. 1957).

The targets executed a sophisticated financial crime involving Promissory Wire Fraud, Fraudulent Asset Conveyance, and Federal Money Laundering:

1. Predicate Offense (Wire Fraud - 18 U.S.C. 1343): Targets electronically executed a \$300,000 Settlement Agreement on March 29, 2026, to induce victim Bruce Perlowin into a legal standstill. Targets have defaulted on ALL FOUR payments over 3 consecutive months (April, May, June, July 2026).

3. Beneficial Ownership Misrepresentation: Targets failed to provide accurate Corporate Transparency Act (CTA) disclosures regarding Javier Leal's dual control over GTVH and SNTX.

II. REQUESTED ACTION: Issue a Suspicious Activity Report (SAR) inquiry, initiate an IRS-CI criminal tax audit, and investigate money laundering violations under 18 U.S.C. 1956.
