GOLDEN TRIANGLE VENTURES, INC. (EIN/OTC: GTVH)
and

FORMAL CRIMINAL TAX EVASION REFERRAL (26 U.S.C. 7201 - EVASION OF PAYMENT),
CONCEALMENT OF ASSETS SUBJECT TO LEVY (26 U.S.C. 7206(4)),
FAILURE TO REPORT \$4,000,000 ASSET SALE GAIN (IRC 1060),
AND APPLICATION FOR WHISTLEBLOWER AWARD (26 U.S.C. 7623)

I. EXECUTIVE SUMMARY & JURISDICTIONAL STATEMENT

This formal referral is submitted to the Internal Revenue Service - Criminal Investigation Division (IRS-CI), the IRS Whistleblower Office, and the U.S. Department of the Treasury (Financial Crimes Enforcement Network - FinCEN) pursuant to:

1. 26 U.S.C. 7201 (Felony Tax Evasion Evasion of Payment);
2. 26 U.S.C. 7206(4) (Removal or Concealment of Assets with Intent to Defraud/Evade Levy);
3. 26 U.S.C. 7206(1) & (2) (Filing False Returns / Aiding and Abetting False Returns);
4. Internal Revenue Code 1060 & 1001 (Mandatory Reporting of Applicable Asset Acquisitions and Capital Gain Realization); and
5. 26 U.S.C. 7623(b) (IRS Whistleblower Program Mandatory 15%30% Award for Original Information involving disputes > \$2,000,000).

The Criminal Scheme:

The targets executed a structured corporate asset-stripping transaction involving **\$4,000,000.00 in operating businesses**, intentionally transferring 100% of revenue-generating assets from Golden Triangle Ventures, Inc. (GTVH) into Suntex Enterprises, Inc. (SNTX), while **explicitly stranding corporate tax liabilities in GTVH** a hollowed-out, asset-less shell company incapable of paying the IRS.

1. The "Smoking Gun": Express Intent to Evade Tax Liabilities (Item 4)

In SNTXs public Supplemental Information Disclosure dated June 15, 2026, signed by CEO Javier Leal, management made a direct written admission of liability abandonment:

> Item 4 Excluded Assets and Liabilities:

> "Except as expressly assumed in the Asset Purchase Agreement, SNTX shall not assume any liabilities of GTVH. All liabilities, debts, obligations, contingent liabilities, litigation claims, **TAX LIABILITIES** and legacy obligations of GTVH arising before or after the Effective Date shall remain solely with GTVH."

- **The Tax Evasion Mechanism:** Management intentionally transferred all revenue streams (Go Fast Beverages, Snapt Beverages, Deep South Electric, Golden Era, and IP) into SNTX while leaving all existing and future **tax liabilities** behind in GTVH. Because GTVH was left with \$0 in operating assets and no revenue, the IRS is obstructed from collecting outstanding federal corporate taxes,

employment/payroll taxes, or back taxes from GTVH.

2. 26 U.S.C. 7201: Felony "Evasion of Payment"

Under Supreme Court and Federal Circuit precedents (*Spies v. United States*, 317 U.S. 492; *United States v. Conley*, 826 F.2d 551; *United States v. Hook*, 781 F.2d 1166), **Evasion of Payment** under 7201 occurs when a taxpayer engages in **affirmative acts of concealment or asset transfers to corporate shells** to defeat the collection of known or anticipated tax liabilities.

- **Affirmative Act #1:** Transferring 100% of corporate operating assets on April 16, 2026, to a related sister company.
- **Affirmative Act #2:** Explicitly designating "tax liabilities" as excluded liabilities left in an insolvent shell.
- **Affirmative Act #3:** Operating both entities under common insider control (Javier Leal) while defaulting on all legitimate creditor and operational debts for over three (3) consecutive months (\$300,000+).

3. 26 U.S.C. 7206(4): Concealment of Property Subject to IRS Levy

Under 26 U.S.C. 6321 and 6331, the IRS possesses statutory lien and levy rights against all property and rights to property belonging to a corporate taxpayer (GTVH). Moving the physical operations, customer contracts, and intellectual property of Go Fast Beverages, Snapt Beverages, and Deep South Electric into SNTX constitutes a direct felony violation of 7206(4) by removing and concealing property upon which levy is authorized.

4. IRC 1060 & Form 8594: Unreported \$4,000,000 Asset Sale Gain

- **Transaction Valuation:** Item 2 of the June 15 Disclosure states that as consideration for the assets, SNTX issued **400,000,000 common shares** valued at **\$4,000,000.00** (\$0.01 market price).
- **Statutory Requirement:** Under IRC 1060 and Treasury Reg. 1.1060-1, both the buyer (SNTX) and seller (GTVH) are legally required to file **IRS Form 8594 (Asset Acquisition Statement)** with their federal income tax returns, allocating the \$4M purchase price among Class IVII assets (goodwill, equipment, intangibles) and recognizing taxable capital gains and depreciation recapture.
- **Tax Fraud:** GTVH and SNTX structured this deal to distribute 400M shares to shareholders under Rule 144 without paying the requisite corporate-level capital gains tax on the \$4,000,000 disposition, evading hundreds of thousands of dollars in federal corporate income tax.

5. 26 U.S.C. 61(a)(11) & 108: Unreported Cancellation of Debt (COD) Income

On March 29, 2026, GTVH executed a Settlement Agreement with Bruce Perlowin compromising \$4.4M in land use and joint venture claims down to \$300,000. Under IRC 61(a)(11), debt forgiveness generates taxable Cancellation of Debt (COD) income. GTVH then defaulted on the entire \$300,000 for 3 consecutive months while stripping assets. Falsely claiming insolvency exclusions under IRC 108 while siphoning \$4M in assets to an insider-controlled sister company constitutes fraudulent tax reporting.

6. Constructive Dividends & Executive Self-Dealing (IRC 301, 316)

Javier Leal served as CEO of GTVH (Aug 2025 Feb 2026) and CEO/Director of SNTX (Nov 2025 Present). SNTX also acquired Leal's private firm, "JA Development & Construction". Routing public assets, equity allocations, and management benefits between entities controlled by the same executive without reporting them as taxable compensation or constructive dividends under IRC 301 violates federal individual tax statutes.

III. QUALIFICATION FOR IRS WHISTLEBLOWER AWARD (26 U.S.C. 7623(b))

Under **26 U.S.C. 7623(b)**, the IRS Whistleblower Office is statutorily mandated to pay **15% to 30%** of all collected proceeds (taxes, penalties, and statutory interest) when:

1. The tax, penalties, and interest in dispute exceed **\$2,000,000.00**; and
2. The submission provides specific, original, and credible information regarding corporate tax evasion.

Calculation of Disputed Amount:

- Total Asset Value Transferred: **\$4,000,000.00**
- Unreported Corporate Capital Gains & Depreciation Recapture: **~\$840,000.00** (21% Federal Corporate Rate)
- IRC 6663 Civil Fraud Penalties (75% of underpayment): **~\$630,000.00**
- Failure to Pay / Evasion of Stranded Tax Liabilities & Interest: **>\$1,000,000.00**
- **Total Disputed Tax Liability & Penalties: >\$2,470,000.00** (Exceeds statutory \$2M threshold).

IV. PETITION FOR IMMEDIATE IRS CRIMINAL INVESTIGATION ACTION

WHEREFORE, the Informant respectfully requests that IRS-CI and the Department of the Treasury:

1. **Initiate an Immediate Criminal Investigation (IRS-CI)** into Javier Leal, Suntex Enterprises, Inc. (SNTX), and Golden Triangle Ventures, Inc. (GTVH) for felony tax evasion under **26 U.S.C. 7201** and asset concealment under **26 U.S.C. 7206(4)**.
2. **Audit All Corporate Tax Returns (Forms 1120 & 8594)** for GTVH and SNTX for tax years 2025 and 2026 regarding the \$4,000,000 asset transfer.
3. **Issue Jeopardy Levies under 26 U.S.C. 6861 / 6331** against the assets and accounts of SNTX as the fraudulent transferee / alter ego of GTVH.
4. **Formally Process this Submission under IRS Form 211** for mandatory statutory whistleblower award tracking under 26 U.S.C. 7623(b).

RESPECTFULLY SUBMITTED,

Bruce Perlowin
